

Dear Parents,

St. Aloysius will be collaborating with Miller Transportation to provide safe, reliable, and cost-effective bus transportation for our students. In order to reserve a spot on the bus for your child(ren) for the 2019-2020 school year, please submit a completed registration form and an initial deposit payment of \$250.00 and return by May 1. Please pay by check, and your check will be held until routes are established to determine if your neighborhood will be included. If the route does not include your neighborhood, your check will be returned to you. ***Service will be provided on a first come, first served basis.***

The final cost will be determined based on number of students interested, and there will be a discount for siblings. Average cost for local schools is around \$5/student/day. More accurate pricing will be determined once forms are submitted. Please know that with this being our first year offering bus service, the route has not yet been established. A computer program will be used by Miller Transportation in order to provide the best service for the most students in a similar area. If we have enough interest, an additional bus may be warranted. **\*Your interest forms are crucial to determine our true need as a school!\***

While we try our very best to accommodate as many families as possible, bus transportation is not guaranteed for everyone who requests it. Please note that additions or changes may not be allowed once routes have been established. If you are interested in bus transportation for your child(ren) for next year, please complete the necessary information below and return it by **May 1, 2019**.

Thank you,  
Jennifer Roth and Ann Campbell
