

Permission to Photograph

St. Aloysius Preschool uses photographs to enhance our school experience and to make memory tokens for each family through crafts and holiday gifts. Children love to see themselves in photos doing our preschool activities, showing off projects or dressing up. Grandparents and extended family members enjoy seeing our days through our photos on Facebook. Names of students will not be used on any social media, and all photos posted by the Preschool staff are first reviewed by the Director.

I, _____, give permission for St. Aloysius Catholic Preschool and Elementary School to photograph my child _____ for the following purposes:

- | | | |
|--|---|---|
| • Name tags, Bulletin boards, Scrapbooks, Yearbook, etc. | Y | N |
| • To be Posted on the School or Church Website | Y | N |
| • To be Posted on the School or Preschool Facebook page | Y | N |

St. Aloysius Preschool reminds all parents not to share photos of preschool children on the internet without the consent of the parents. St. Aloysius will not be responsible or deemed liable for parents not adhering to this request.
