

## **NTI Lite Fridays for Trimester 2**

NTI Lite Fridays will focus on certain subjects, not the entire curriculum. For younger grades, work will be sent home. For other grades work will be posted online in Google Classroom by 6:00pm the day prior. Work must be submitted for a grade like a regular assignment. Due dates are at the discretion of each teacher. If turned in late, points will be deducted. There will be no live classes or posted videos. Teachers may request 1:1 or small group meets with students as needed on NTI Lite Fridays. Teachers will be available from 8:00am-3:00pm via email for any questions.

January 15—Focus on science, social studies, religion
