**Opening Prayer and Welcome** – Fr. John

**Pastoral and Finance Updates** – Fr. John

Getting closer to paying off debt ~\$150k left. He thought would be paying off next \$50K by February and then have a donor who has offered to pay the last \$100K.

**Principal's Update** – Maryann Hayslip

Open House on Sunday, November 15 – one of the best of the last couple of years

Kindergarten screenings are scheduled.

Yesterday, November 18, Governor Beshear announced that all K-12 schools must stop in-person instruction as of November 20 at 5pm – therefore, we are moving to all-school NTI starting Monday, November 23 until at least December 6 for elementary school student, dependent on whether Oldham County is out of the Red Zone and until January 4 for middle and high school students.

**Open Forum/Discussion**

The school board/school received 9 letters from parents/interested parties regarding NTI.

Discussion was held regarding whether school should remain NTI December 7-18 for the elementary school students. Several guests spoke, as well as teachers and board members. It was decided that we would remain NTI until after the Christmas Break. Mrs. Hayslip went over what the expectations/schedule would be: more live streaming/zoom meetings mirroring a regular school day. Based off experience in the spring, the morning classes would be held on Mondays, afternoon classes on Tuesdays, etc. There would be half hour sessions for each class, breaks and lunch time will be built into the schedule. Afternoons would be used for small group sessions and individualized meeting as needed.

**Enrollment Committee** – Carol Stratford

Last meeting November 17

Discussion about current families reaching out to new/prospective families

Plan on additional Open Houses, since the last one was so successful

**Next meeting**

Thursday, January 21, 2021 6pm via zoom

**Closing Prayer** – Fr. John
